Seasonal Dock Notification for Lakes and Ponds

<u>Instructions</u>: Use the checklist below to determine if your proposed seasonal dock meets all of the criteria necessary to use this form. If it does **not** meet **all** of these criteria, you must apply for a permit using either the Minimum Impact Expedited application or Standard Dredge and Fill application form. If your dock meets all the criteria below, complete all items on this form and submit to the NH Department of Environmental Services – Wetlands Bureau.

The second of the second to the second of th

form for list) or no more than 30 feet long on waterbodies that are less than 1,000 acres in size; and, Located on a parcel of land that has 75 feet or more of shoreline frontage (see page 2 for definition); and, Located at least 20 feet from an abutting property line or imaginary extension of the property line over the water; and, Installed in a manner which requires no modification, regrading, or recontouring of the shoreline, such as installation of a concrete pad for construction of a hinged dock; and, Installed in a manner that complies with the N.H. Comprehensive Shoreland Protection Act (RSA 483-B). If stairs are proposed to access the dock, the stairs must be: No more than 6 feet in width; and, Constructed over the bank in a manner that does not require regrading or recontouring. If your project complies with all of the criteria outlined above, please complete all of the following: 1. PROPERTY OWNER / APPLICANT INFORMATION: a. Name(s) of Owner(s): Last First Middle b. Mailing Address: Box Number or Street Address Town/City State Zip C. 3. **SIGNATURE**:

Owner's Signature

OWNER/APPLICANT. My signature below certifies that my dock will meet all of the required criteria. I understand that completion of this notification does not preclude the department from taking any enforcement action if the department later determines that the notification was incomplete, the facts material to the project were misstated, or that the installed dock does not meet the above criteria. I understand that this notification does not relieve me from obtaining any local permits, which may be required.

4. Submit this completed notification form to:

NH DEPARTMENT OF ENVIRONMENTAL SERVICES - WETLANDS BUREAU

Name (print legibly)

6 Hazen Drive PO Box 95 Concord. NH 03302-0095

Phone: (603) 271-2147 Fax: (603) 271-6588

Determination of Shoreline Frontage: To determine the length of **shoreline frontage,** add the length of the natural navigable shoreline (which may be shown on the tax map) to the length of a straight line drawn between the two side property boundaries at the shoreline edge, and divide by two. (Both lengths are measured at the normal high water line.)

Notice of Incompleteness: If the application is incomplete or does not qualify for the notification process, the Wetlands Bureau will send a Notice of Incompleteness, which would list any reasons for disqualification to the owner noted on this form.

NOTE: If DES considers your notification complete, <u>no further correspondence will be sent to you.</u> You may wish to check the "Wetland Permits Query" on DES Wetlands Bureau's web site to view the notification number and verify that is has been considered complete (www.des.state.nh.us/wetlands).

For More Information: If you have questions regarding this seasonal dock notification process, please contact the Wetlands Bureau at (603) 271-2147 or visit the DES Wetlands Bureau's web site at: http://www.des.state.nh.us/wetlands.

* The following waterbodies are more than 1,000 acres in size. An owner of 75 feet of shoreline frontage on these waterbodies may have a seasonal dock that measures up to 6 feet in width and 40 feet in length:

Bow Lake Lake Winnipesaukee Ossipee Lake Paugus Bay Conwav Lake Mascoma Lake Province Lake Comerford Storage Massabesic Lake Connecticut Lake (1st) Connecticut Merrymeeting Lake Squam Lake Lake (2nd) Monomonac Lake Sunapee Lake Great East Lake Moore Reservoir Vernon Dam Lake Umbagog Newfound Lake Winnisquam Lake

Lake Wentworth

Please note that for the following waterbodies the state has fee-simple ownership or flowage rights, which may affect an applicant's ability to place a dock on the shoreline frontage. If your proposed seasonal dock would be on one of these waterbodies, before you submit this notification form, contact the DES Land Agent in the Dam Bureau for more information (603) 271-1960. The waterbodies are:

Deering Reservoir Glen Lake (Gregg Falls) Lake Horace (also known as Weare

Francis Lake (No docks allowed at Goose Pond (Hanover/Canaan) Reservoir)

all) Winnisquam Lake (Lochmere Dam)
